UGA CHEM 2211 - Final Exam Study Guide - GradeBuddy

The Augusta University CHEM 1211 and 1212 Principles of Chemistry courses follow a common model for course content and use national exams from the American Chemical Society (ACS). These exams help validate course quality and ensure students are ready to succeed in subsequent coursework. In fact, the catalog specifies meeting the standard on these exams as a prerequisite for the next course, including transfer or transient courses.

I just posted this in another thread on the ACS Gen chem exam: I didn't take the ACS gen chem exam, but I took the ACS OChem exam. At the time (senior in HS), it was the hardest exam I had ever taken. I used the ACS study guide religiously and I remember it covering the exam well. If you study, I'm sure you'll be fine.
