Volvo S60 Manual Gearbox Problems

NBD noticed that there are up to 346 complaints about Volvo cars at a car complaint platform, many of which are related to the XC60's DCT. And apart from the XC60, other models of Volvo, like the S40, S60, S80, and C30, also use the Powershift 6-speed gearbox. Owners of these models also reported similar problems.

Volvo faces rising anger over gearbox issues - National ...

Any issue, even a faulty thermostat, can cause gearbox problems. The gearbox oil on these cars is NOT straight forward to change, and really needs to be done on a ramp. It has an internal tube built into the drain plug which is used to measure the level as there is no dipstick like the older cars.
