Friend had her car fail its MOT earlier today due to "console bushes". It's a 2004/5 Polo and the main dealer quoted a touch over £300 to replace them, which sounds excessive.

### MOT Failure - "Console Bushes"? - Page 1 - Audi, VW, Seat ...

VW Germany will not lay down an authorised procedure, and the franchise dealers will not do anything without one. I do not see how taking a feed off the main fusebox, if done correctly, should invalidate the warranty. I will continue to pursue VW Germany, but I fear there is a Teutonic mindset in operation that will not be moved.

### VWVortex.com - Dash Cam Installation Guide

Happens quite frequently and been experienced by many others. Do a hard reset of the head unit by pressing and holding the on button for 10 seconds, and that usually sorts it.
