Why Marx Was Right

Terry Eagleton's book "Why Marx was Right" is a skillfully written, sometimes almost poetic, mis-titled political polemic. A more suitable title would capture Eagleton's remarkably well-informed effort to demonstrate that so much that is so often found horribly wrong with common misconceptions of Marxism is sharply at odds with everything that Marx ever wrote.

Why Marx Was Right is an argument on two fronts, one being that Karl Marx never advocated for much of what was attributed to him, and the other that what Karl Marx actually proposed is very appropriate for our age.

Why Marx Was Right by Terry Eagleton - Goodreads

"Why Marx was Right" by Terry Eagleton is an amusing and insightful look at Marxist theory and practice. It peels away the legends about what Marx allegedly said, to look at what Marx actually said, and compares them to other philosophies and practices, to see what Marx might have made of today's world and where he might have said it is heading.

Why Marx Was Right - Kindle edition by Eagleton, Terry ...

Why Marx Was Right by Terry Eagleton Roger Caldwell is unconvinced by Terry Eagleton's loyal support for Marx. When British literary theorist Professor Terry Eagleton's Criticism and Ideology appeared in 1976, the intellectual scene in Europe was dominated by the New Left, and Marx was seen as the indisputable reference-point. In France the likes of Sartre and Lévi-Strauss had declared themselves Marxists, and Althusser had developed his own brand of structural Marxism.

Why Marx Was Right by Terry Eagleton | Issue 96 ...

Why Marx Was Right is a welcome return to the core of Marxist thought, executed with wit and panache. Seasoned Marxists will find most of the arguments presented here familiar but argued with verve. But even so, this book provides a formidable compendium that will be a useful reference for any socialist. Marxism, finally, is provisional.

Why Marx Was Right (￼)

Once again, Marx was right when he argued that a key weapon in the hands of the ruling class is ideology—systems of ideas that attempt to naturalise their privileges and the subordinate position of the majority of people. This isn't surprising: the capitalist system tramples on the needs and desires of the majority of people in the ...

His polemic diatribe is far less fanatical than the attacks of Marx's enemies. At least one of his propositions is truly revolutionary. Marx's originality Marx locked together two ideas: class struggle and production mode (capitalism), providing thereby a new scenario for historical change. Classes are for Marx not reducible to economic factors.
