This wilderness survival book is not about charts and diagrams, it is about the very personal stories of the authors. The book is a journal of sorts that documents the two men and their experiences getting through a month long survival trip together. Along the way you get a look inside their heads as they deal with hunger, thirst and exhaustion.

WILDERNESS SURVIVAL

7.Introduction

Mastering wilderness survival takes practice.

During trips to the outdoors that are not emergencies, you can learn to light a fire without matches, build a shelter without a tent, signal for help, and practice first aid.
