William of Ockham: A Letter to the Friars Minor and Other ...

William of Ockham (c. 1287–1347) is, along with Thomas Aquinas and John Duns Scotus, among the most prominent figures in the history of philosophy during the High Middle Ages. He is probably best known today for his espousal of metaphysical nominalism; indeed, the methodological principle known as “Ockham’s Razor” is named after him.

William of Ockham (Stanford Encyclopedia of Philosophy)

William of Ockham was born in Ockham, Surrey in 1285. He received his elementary education in the London House of the Greyfriars . [13] It is believed that he then studied theology at the University of Oxford [2] [3] from 1309 to 1321, [14] but while he completed all the requirements for a master's degree in theology, he was never made a regent ...
